

A5 Sliced Seeded Burger Buns

UNIT: 6 x 8

Description

A seeded white burger bun with a golden brown crust and a gentle dusting of sesame seeds. These soft white buns, which are perfect carriers for a variety of hot or cold fillings, provide the optimum in terms of convenience and freshness. Not only are they pre-sliced, but freshly frozen, so you only need to use the buns that you need.

Reduce waste and defrost just the right amount at room temperature for approximately 2 hours. Once defrosted, store the buns in a cool, dry place (in a sealed container) and use within 4 days. Made in a dedicated bakery accredited by both The Vegetarian Society and The Vegan Society.
